Calf Club Time

Editorial

Having grown up in a small rural community, I always had a hankering for life out of town. Maybe enough room for a couple of sheep and a few fruit trees, but nothing too intensive as I am not really an early morning person.

I moved to Hamilton in 2005, and shortly afterwards started working in Morrinsville. The daily commute along Highway 26 allowed me to spy all the houses en route, and got me to thinking that this would be the perfect area to live (one day at least). I often looked at the houses down The Avenue (I only learnt this name after moving into the area) bathed in rich afternoon sunlight during the depths of winter and the image was idyllic; maybe the essence of my own "Kiwi Dream".

Fast forward a few years; marriage, two children, my own business and a house in town, and the dream seemed to be edging slowly further away. My wife, Ripeka, and I often talked about moving onto a lifestyle block, and indeed had looked at a number of places around Hamilton, but with a growing family we needed something that would not be too much work landwise. The house needed to be able to grow with us as well. Then in April 2015, we happened upon a listing on TradeMe; the house had character and room for improvement, with just enough land to entertain the kids as they grew up. Importantly, it was in close enough proximity to both Hamilton and Morrinsville, as I had had enough of lengthy commutes (in non-Auckland terms at least), and my wife's family lives in Hamilton.

The house we bought was an old bungalow, previously owned by Tony Eccles, and this (possibly) had been subdivided from the Basi family farm in the 90s. It was strategically hidden behind a large conifer, and most people aren't aware that the house even exists, so this is possibly how we managed to avoid the "New Arrivals" section in the Eureka Express, although I was hoping that we would be found out and introduced at large to the community

And so we come to today, where after talking to a few people, I have decided (and been convinced) that it would be a good opportunity to introduce myself and my family. My name is Whare Noe, and I am a dentist who has been based in Morrinsville for just over 10 years. I am married to my lovely wife, Ripeka, a physiotherapist, and the mother to our 3 gorgeous children: Stevie-Lee (6), Hemi (4), and Willow, who turns 1 in November!

We have very much enjoyed living here for the last 15 months, and our kids seem to enjoy the wide open spaces that rural living affords; taking a goat to last year's agricultural day at Tauwhare School was a highlight for Stevie-Lee. She even managed to win some ribbons that she was so proud of! Both older children also enjoy heading outside to explore the section, riding loops around the house on their bikes, or hiding in the 'spooky forest' behind the garage. Even our cat, Shadow, enjoys living out here more than in town; many more birds to chase, and fewer big cats to be chased by!

We also knew that when we moved in, we were going to do some major renovations. Ripeka's parents graciously allowed us to live with them for almost 6 months, swelling their household from 2 people to 7(!) whilst the renovations were being done. Now they are mostly complete, with only a deck and some landscaping to do. I am however, interested in the history of the house as the council file is very thin on details. I was kindly directed by Lynne Brewer to the Eureka History E-book on the website, and informed that the house was owned by Norman Thompson (possibly moved on to site from Waihi by his father, Thomas), and this was subsequently sold to the Teagues. Other than this, there is little information about the house itself, and certainly no images. It is a dream that one day we will be able to restore the house to its original external appearance, with bay windows and all the bells and whistles that it may have had. What we would really appreciate is that if anybody has or knows anybody who has old photographs of the house, if we were able to have copies of these photos for reference and posterity. I believe it would make a great centrepiece for our house as it approaches its' own 100 years' anniversary.

Finally, I would like to thank our neighbours and all the members of the community for making us and our family feel welcome, and allowing us to call Eureka and the surrounding districts our home.

NEW COLUMNIST: A warm welcome to Dinah Booth who has volunteered to write our Recipe page. You will have read and enjoyed Dinah's initial page last month and we look forward to many more interesting recipes. Many thanks, Dinah.

CITIZENSHIP: Congratulations to Gerrie and Nicola, Dylan and Courtney Jacobs, of Hooper Road, who attended a Citizenship ceremony at HCC, Garden Place, on 24th September. They are now officially NZ Citizens and can replace their South African Passports with NZ Passports. A momentous step for you all and we are proud you can now call yourselves New Zealanders.

EUREKA MOTORS FAREWELL AND WELCOME: Colin's friendly assistant, Rebecca Stensness has left to explore other employment opportunities and it is a warm welcome to Joanna Fitzgerald. Joanna hails from Motumaoho where she has lived with her family for the past 4 years having been previously farming at Ngatea. Lovely to meet you, Joanna. We trust you will find us a friendly lot in Eureka.

PROMISING RUGBY TALENT: Waikato Juniors Rugby team member, Ryan Coxon, has been living and working in Eureka this year, and last week the team won the National Under 19 Jock Hobbs Memorial Trophy in Taupo, beating Auckland A in the final. Ryan is a grandson of Brian and Sheryll Gordon of Waverley Road (being the eldest son of Carla and Gavin Coxon of Tokoroa), and is presently working for his uncle, Scott Buckley, also of Waverley Road. Congratulations, Ryan. We will be watching your future rugby career with great interest.

PHONE LIST: An updated local phone list is enclosed for your information. Grateful thanks go to Linda Hooper for her years of collation of the list, and also to John Marshall who has volunteered to take on the job henceforth. Please contact Gail (8241758) if you notice any mistakes or omissions. It is noticeable that some people are dropping their landlines in favour of just a mobile. If that is your case please let me know your mobile number if you wish to have it listed.

LOCAL BODY CANDIDATES MEETING. Did you get to the "Meet the Candidates" meeting on Wednesday night? We trust you took advantage of the opportunity and have since made your considered vote.

Sincere condolences are extended to Nick and Maria Stolwyk of Hooper Road on the death of Maria's sister, Mrs Lia Ruiters, in Whakatane on September 3rd. Then on September 12th Nick lost his brother-in-law, Henk van de Lingen in Holland and made the trip back to Holland for Henk's funeral. A sad time for you all.

Sincere Sympathy is also extended to Colin and Glenys Middlemiss and family of Hooper Road on the death of Colin's mother, Mrs Betty Middlemiss at Assisi Rest Home on Sunday 25th September. A dearly loved mother, grandmother and great-grandmother who will be dearly missed.

Johnson Family moves back to Eureka.

Recently Ken and Rhonda Johnson have brought Kevin and Lyn Buckley's home on Waverley Road after 6 years of living in Rototuna, Hamilton.

We lived on Tauwhare Road for 7 years and moving in to Hamilton was always only a temporary move as the children left school and looked for employment. Now our children have all left home it is time for mum and dad to move back in to country life. Our children Nathan (22) and Tyla (19) have grown up in Eureka and have both been through the Tauwhare Primary school, Berkley Intermediate and Hillcrest High School education system, both leaving after finishing year 13 at Hillcrest. Currently Nathan is employed at Countdown supermarkets - he has been there for the last 6 years and Tyla is a fully qualified flight attendant and works for Qantas Airlines based in Auckland and flies to Sydney, Melbourne, and Brisbane daily. Our oldest son Zane (26) who has special needs has been flatting in Rototuna for the past year but still enjoys coming home on the occasional weekend. Rhonda works for Fonterra in Hamilton on the night shift and has been at the same place for over 30 years.

Ken, who started working for Brian Insoll at Eureka Orchard in 1999, still works on the orchard but now as a regional operations manager for Sunfruit Orchards who lease Eureka Orchard, Ken is also in charge of two of Sunfruit Orchards other orchards in the Waikato. Sunfruit Orchards is a family owned company in the Waikato and Hawkes Bay which grows, packs and exports apples, peaches, plums and pears around the world and throughout New Zealand.

We love our new home and country living environment and will enjoy looking after our gardens that Lyn and Kevin have beautifully grown. We are looking forward to once again being part of the Eureka community.

Kind regards,

The Johnsons.

INTERSCHOOL'S' DAFFODIL CHALLENGE

Congratulations to Ms Quinn and the Year 6 Daffodil Group who cleaned up awards at the competition on Friday at Hamilton Gardens. This was the final year so it was fitting to have it on the 10th

anniversary of the school's involvement.

Tauwhare School won Best Bloom in show and Overall Points Trophy. Every daffodil, except 2, won a prize!!!

Writing inspired by the flowers...

Aotearoa

Red streaks the lonely sky as the sun leaves in a vacant mood.

A heart, My heart

Listens intently as the grass whispers to the wind.

A host of wild flowers eliminate my mood,

Inviting it to dance in the summer scent.

Clouds drift across the sky

Their reflection in the river creating a watery masterpiece.

I gaze in awe at the rocks having a bath,

And the leaves fluttering past.

This is my home

This is Aoteroa.

MORRINSVILLE COLLEGE MUSIC GROUP

Having three of our past pupils come to entertain our children was a very special moment. Samantha Bonnar, Liam Gilroy and Tory Gilroy started their music lessons in drums, guitar and piano at Tauwhare School. The band from Morrinsville College had our kids on their feet rocking, singing and dancing.

Pukeko Preschool – October 2016

A very busy month with Asthma Awareness week, Daffodil day, and a visit from Ruben the Road Safety Bear. The children made Ogre Stew from the book 'Nickety-Nacketty, Noo-Noo-Noo'. We made a Pukeko Preschool Treaty which the children decided to put on a tree because it was a 'tree-ty'. We made many trips around the school grounds in the lovely spring weather.

We welcome our 2016 Trust Board:

About Pukeko Preschool

We are a small rural preschool situated in the grounds of Tauwhare School on Scotsman Valley Rd. We are open from 8am – 4pm and licensed for 17 children. We welcome children from 2 years of age. There is no minimum number of days required, which is a lovely way of settling in to preschool.

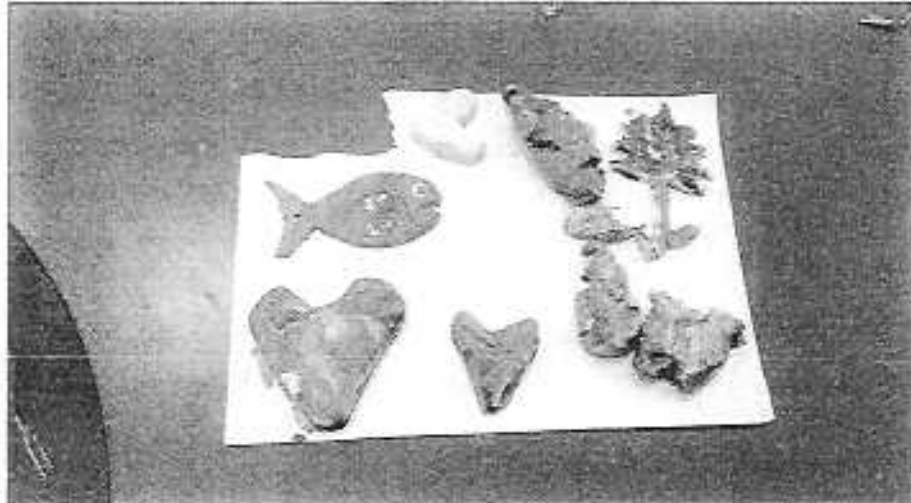

Limited spaces are available – call in and see us, phone 824 0860, or email pukekopreschool@xtra.co.nz. We offer 20 hours Free ECE (NO extra charges for these hours) and you may also be eligible for the childcare subsidy.

Contact us for more information, check out our website www.pukekopreschool.org.nz, or find us on Facebook 'Pukeko Preschool in Tauwhare'.

Tauwhare Playgroup

We had a great morning making Father's Day crafts in early September. We bought some modelling clay and made shapes such as fish, hearts, trees and Mr Sneezy! The children and parents loved the feel of the clay, and the messy fun of painting the creations too.

We definitely have a lot of children who like to get their hands messy, but we also realise that for some children (and parents!), this is not really their thing. That is why we have a range of activities on offer, so that all the children can find something that suits their development stage and their personality.

The last week of term is approaching, with Thursday 22 September being the last playgroup for the term. We are planning to go on a trip to the bike park at the Velodrome in Cambridge, to make the most of the spring weather.

About Tauwhare Playgroup:

Tauwhare playgroup are a friendly and fun group, where parents, grandparents, caregivers, children and babies meet together in a relaxed environment. Everyone is welcome.

Our playgroup is free to attend, and our activities include:

- Music and singing
- Imaginative play
- Outdoor and free play
- Art and craft activities
- Trips to interesting places.

We meet at the Multipurpose Room at Tauwhare School between 9am-12 noon every Thursday during school term time. We are happy if people want to come for just a short while, you don't have to stay all morning.

Please bring along a small plate of food for the children's shared morning tea, and we provide hot drinks for parents and caregivers.

For more information, contact:

Pippa on 07 824 0846.

Like us on Facebook and keep up-to-date with what is happening.

About Playgroups:

No child is too young for playgroup. All children from 0-5 years, including babies, love new experiences and benefit from developing sensory, social and communication skills through activities at playgroup.

Children like playgroup because they can:

- Participate in new experiences
- Develop and increase their social skills
- Learn sharing, co-operation and simple routines
- Interact with other adults and children in a safe environment
- Enjoy learning more about their world.

Adults also benefit from playgroup - a time to talk, meet other local families and make new friends and share experiences while children have fun and learn through play.

TAUWHARE INDOOR BOWLING CLUB

The 2016 bowls season will be almost finished when the Eureka Express is published and delivered. Our AGM will have taken place, with only the Christmas Rinks left to be held on 6th October (plate please).

The Moore Cup final round turned out to be very interesting with three teams in contention to win the Cup and all those vital matches being held at the same time in one hall. Eastern Gold won the cup, after having been defeated by Cambridge in the 4th round and winning against Hamilton Red in the 5th Round.

Eastern Blues results were: -

- Round 4 vs Hamilton Green Loss
- Round 5 vs Morrinsville Win

Both Eastern teams performed really well especially as we entered two teams for the first time.

The Eastern Championship Rinks was held on 16th September. The Tauwhare team, J Arnold, B. Meads, R Bargh and R Arnold came out the Champions and were presented with the badges. The runners up were F Richards, AM Richards, M January and J Nunn (Matangi).

Results:

25 August 2016 – Sattrup Trophy

- Winners B Meads, I Spencer
- Runners Up J Bargh, JR Bargh

1 September 2016 – Burnside Trophy vs Matangi

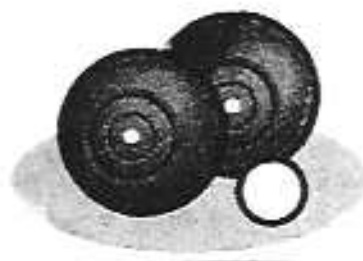

- Winners Matangi

8 September 2016 – Club Night

- Winners R Coxon, E Morris
- Runners Up R Arnold, L Verner

15 September 2016 – President's/Vice President's Night

- Winners R Arnold, L Verner
- Runners Up P Stanaway, H Bargh
- Booby Prize K McNally, I Spencer

Upcoming Events

6 October 2016 Christmas Rinks Tournament – A plate please

The probable date for opening night 2017 will be 2nd March (to be confirmed)

- 8) 4 Tbs Paprika
- 9) 2 Tbs Garlic Salt
- 10) 1 Tbs Ground Ginger
- 11) 3 Tbs White Pepper

Grind and combine with 2 Cups Flour or breadcrumbs. (The mix will keep in a dry air tight container for about a month.)

Oil temperature 350 degrees.

Soak chicken in buttermilk and coat just once in the herb mixture.

KIWIFRUIT CRUMBLE (IN SEASON NOW)

- 6-8 Kiwifruit
- 1 cup of plain flour
- 1/2 cup of rolled oats or Ancient Grains is better
- 125g butter
- 1/2 cup of brown sugar
- 6 dried apricots finely sliced

1. Preheat the oven to 180 degrees Celsius.
2. Cut each kiwifruit in half and scoop out insides into an oven dish.
3. Mash kiwifruit thoroughly.
4. Sprinkle over apricots.
5. Put dry ingredients into a mixing bowl.
6. Then dice butter and add it to the dry ingredients.
7. Combine butter with dry mixture by using your hands to rub it in until the mixture has a crumbly consistency.
8. Pour topping on top of the kiwifruit and place in the oven for 30 minutes.
9. When cooked serve immediately with ice-cream and/or custard and cream.
10. Enjoy.

NEWS FROM YOUR WAIKATO DISTRICT COUNCILLOR

Council is now holding the last few meetings of this triennium with the final full Council meeting to be held on Monday 3rd October. As I mentioned last month, five nominees for Councillor were elected unopposed, four Councillors are not standing for re-election and seventeen nominees will contest elections for the other eight seats on Council. The first meeting of the new Council will be held in late October.

In mid September the voting papers were posted to all those on the electoral roll – if you have not received your voting papers contact the Electoral Office on 0800 922 822. If you are not on the roll you can still request special voting papers by enrolling on www.elections.org.nz, by phoning 0800 922 822 or by visiting any PostShop for an enrolment form.

Voting papers must be posted by Wednesday 5th October to be delivered to the Electoral Office by noon on Saturday 8 October or be delivered to a ballot box by the same deadline. Ballot boxes are at Council's main office, 15 Galileo Street, Ngaruwahia and the Huntly, Raglan and Tuakau offices / libraries and Te Kauwhata library.

Please take the opportunity to cast your vote. Eureka Ward residents will be voting for Mayor, Regional Councillors and Waikato DHB. No election is required for Ward Councillor as I was elected unopposed.

Council's **Annual Report** is due out in early November and a summary will be in the next issue of *The Link*. If you don't receive a copy of this bi-monthly newsletter in your mail box you can read it online. The latest version of *The Link* gives an **update on the new refuse and recycling changes**. It also focuses on guidelines around bag size as there is some confusion about the size and types of bags one can use for your solid waste.

Waikato has consulted 4,500 landowners during a year long process to identify 1,000 **Significant Natural Areas** (SNAs) including wetlands and peat lakes, lowland forest and kahikatea stands and coastal ecosystems. Most of the 1,000 SNA's are on private blocks. This year Council approved a grant for a Tauwhare landowner to purchase trees and plants to help the Wright's Bush Restoration Group to restore a block of private bushland adjoining Wright's Bush which supports many native species and is protected by a QE2 covenant.

With the huge number of roading works taking place in the Waikato during the Expressway build and the ongoing maintenance of our 1,830kms of sealed and 604kms of unsealed roads, Council are asking that road users respect the roading staff that work in all weathers on large and small projects. Council roading staff and District Alliance staff, particularly those in traffic management, are being abused on a daily basis. Temporary speed restrictions and traffic direction are important as the crews work to make our roads safer so please be patient, follow traffic management and drive safely.

I understand there are signs of work being started on the Ruakura Road section of the expressway. Bridge construction is expected to begin in November with an earthmoving truck crossing opening in December, controlled by traffic signals. Up to 7000 motorists travel on Ruakura Road each day and the Project Alliance team will monitor the effects on traffic and manage its truck movements to keep traffic moving. By building the bridges early the Project Alliance can then run its earthmoving trucks under these bridges, rather than crossing busy local roads, which will minimise traffic impact.

To receive regular updates on the Expressway work sign up to receive the Expressway newsletter on www.nzta.govt.nz/hamilton. These newsletters are very interesting and, if you sign up during Sep/Oct, you and a friend can go in the draw to win a personal tour of the construction site including a ride on a dump truck. From Feb 2017 Expressway newsletters will only be on line and will include videos and 'one-click' links to the latest project photos and information.

On 23rd September councillors were invited to Rangiriri to a ceremony to mark the start of the symbolic restoration of the **Rangiriri Paa** – scene of the 1863 Battle of Rangiriri. The project is part of the Rangiri Section of the Waikato Expressway and the paa's restoration will see a section of the former SH1 in-filled and an interpretative recreation of the battle site built, complete with walkways and car parking.

Puketaha School celebrated its centenary on 23-24 September. It was a wonderful weekend catching up with friends from school days and past residents. Around 260 people, plus present pupils, were at the school on Saturday for the formal events and around 155 attended the dinner at Claudelands on the Saturday night. The Jubilee Committee organized a superb event and even the weather was kind.

More next month.
