

# EUROKA EXPRESS

## HAPPY EASTER

VOL XXXVIII

no.2 Circ 315

March 2017

By Rachel Basi

# EDITORIAL

Hello Eureka, from the Jacobs family, Gerrie, Nicola, Dylan and Courtney, from Hooper Road.

In 2005 we immigrated to New Zealand, from Cape Town, South Africa. We moved into Eureka in November 2007, when I was 6 months pregnant with my daughter. My son Dylan was 2 ½ years old. The people in Eureka were very friendly and welcoming, to us as a family.

On Friday the 13<sup>th</sup> July 2007 (Oh boy, don't I know it) I had a motor vehicle accident, and broke every bone in my body. An example of the Eureka community spirit was demonstrated on that day. My husband was working in his shed and a car stopped at the gate and an unknown lady, informed him that I had, had an accident and that she had recognised my car. The lady didn't leave her name, but thank you very much, whoever you may be.

Long story short, on the 28<sup>th</sup> November 2016, I had to undergo a below knee AMPUTATION.....the dreaded word.....or perhaps the word that we are looking for is DISABILITY/DISABLED!

As a disabled person, my life didn't end on that day in November, it just continued, just like everyone else, I just have to do things in a slightly different way, or if I was to be poetic, I would say that I started a new chapter in my life.

Unfortunately human natures being what it is people tend to jump to conclusions, which may not necessarily be true. Like I can't walk up stairs, or I can only walk in a straight line and are unable to walk around something...both regrettably false.

Sometimes I attend church with my husband and it continues to amuse me how many people find my prosthesis so very uncomfortable, and in reality cannot coordinate the prosthesis or disability with the rest of me. My favourite was when, after the service I stood up to get up a cup of tea, and before I could blink, I had that cup of tea in my hand.

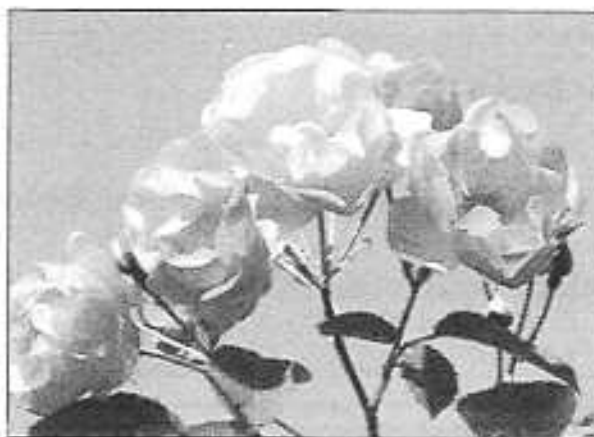

Please don't think that I didn't appreciate the gesture, I sincerely did. I realise that people want to help and I sincerely appreciate the sentiment.

So how about, we refer to disabilities, as challenges – more to the positive I say!

I suppose what I am trying to say is THANK YOU, to everyone who delivered food and baking and offered child care services, with a massive shout out to the Ladies from the Tauwhare ladies group. I cannot begin to thank you enough. I also have amazing neighbours, the Stolwyk's – Thank you to you too. ☺

In closing, if I am permitted, I will repeat what I very recently said to my husband, 'I may have lost part of a leg, but I didn't lose my brain'.

Nicola

## AED Launch

Our thanks go to Cambridge St John and also to HeartSafe Cambridge for their support and assistance in the purchase, installation and training provided so that Eureka now has a defibrillator in case of local need.

About 25 locals came along on Sunday 19<sup>th</sup> to brush up on their CPR skills and get familiar with using the defib, which is situated at the Hall, next to the front doorway, with access instructions clearly stated, and operating instructions included.

## EUREKA BADMINTON CLUB

### Eureka Junior Badminton

Junior Badminton will begin the season on Wednesday 3<sup>rd</sup> May  
then every Wednesday in the Matangi Hall from 6pm to 7.30pm.

Racquets available

For further information please phone Bryce on 8295398

# EUREKA EXPRESS AGM REPORT

The 37<sup>th</sup> Annual General Meeting of the Eureka Express was held on 15 March 2017 at the Eureka Hall. Ten residents attended the meeting which was chaired by Editor Gail Mayall.

Income for the 2016 financial year was \$3,301.10; Cash expenditure \$1963.61 – a profit before depreciation of \$1,337.49. Bank balances at the end of the financial year were – Encore account \$4,315.87; Bonus Saver account \$11,010.25. Advertising charges will remain the same. Funds have been earmarked for an AED unit and chairs for Eureka Hall.

Editor, Gail, outlined the events organized by the Eureka Express team in 2016 including the Annual Easter colouring competition – 36 entries were received. She made mention of Jack & Linda Hooper who moved from the district in December, both of whom were contributors to, and supporters of, the Express. Gail also noted the loss of helper and supporter, Cheryl McFarlane who passed away early in 2017.

Guest editorials continued and are a feature of the Express enjoyed by all and Gail thanked those who contributed. She acknowledged the meticulous care of the Express accounts by Treasurer Gayle Orr who, due to employment commitments, has now stood down from the position. Gayle will remain on the Committee. She thanked Sheryll Gordon who reviews the Express accounts, Wendy Morch for her work preparing advertisements, Anna Drever who designs the covers, Lorraine Morrison who is a huge help on printing day, Margaret Smith and Jill McGuire for their assistance with editing and typing and who, with Sue Marshall and Linda Journaux help on printing days, and Lin Buckley who drums up the copy and editorials. Thanks also go to the other Committee members who make a big contribution to the smooth running of the Express, also Waikato Sheds, Eureka Motors and other advertisers, regular and new contributors, and those who assist with delivering the Express each month. The Committee is also grateful for the many donations they receive from past and present residents of Eureka.

The Editor commented the Express Committee would welcome new ideas and suggestions from the community.

Committee members for 2017 are; Gail Mayall, Jill McGuire, Margaret Smith, Gayle Orr, Wendy Morch, Lin Buckley, Lorraine Morrison, Jennifer Mace, Anna Drever, Karin Vink, Sue Marshall, Linda Journeaux, Dinah Booth and Kathryn Schicker.

## WEATHER

February 2017		
Rainfall total	113mm	
Rainy days	10	
Highest wind speed	41.8 km/hr	12 Feb
Most daily rainfall	45 mm	17 Feb
Temp high	28.1 C	6 Feb
Temp low	7.9 C	4 Feb

## MARKET PLACE

### Wanted:

Farm cottage to rent, for family.

Please contact Tracy 027258893

### Firewood for Sale:

Hardwood, \$90 cubic metre. Can be delivered. Phone Ace 8241891 or 02102889247

### Outdoor Play Equipment for Sale:

Good order. Swings, slide, climbing wall, monkey bars, hut, etc. Needs to be taken away.

Offers please. Contact Maurice 0274797282 or 8241948 to arrange to view.

### Missing:

Ginger cat, with white paws and white patch under his chin. Missing from 703 Morrinsville Road since 11 March. Any sightings please phone Ngaire 0273527317

## EASTER COLOURING COMPETITION

Open to all children in the Eureka Express circulation area. Please use the March cover. More copies are available from Eureka Motors. Please follow the instructions on the reverse side of the picture and make sure entries are in by 10am Monday 10<sup>th</sup> April. Thankyou, Editor.

# Tauwhare School

1001 Hamilton 3201 New Zealand  
t: 021 224 0894  
e: info@tauwhare.school.nz

Accomplished Learners Striving for Success in Tomorrow's World

Last week I had a visit from a Ministry of Education representative asking me to enter our school into the Prime Minister School of Excellence Awards, due to our excellent academic results and the amazing opportunities we offer our children in other areas of learning such as Enviro, the arts and sports. As it is a 50 page document and 5 minute video presentation it will take some time to prepare in time for the 2018 awards!

## PIRONGIA TRIP

Our whole school overarching theme this year is sustainability. In particular we are focussing on Water. A few years ago Kirsty Kilroy's Grandma came and visited the school and said she used to swim in the Waitakaruru stream 80 years ago. "Could we swim in the stream now?" was a question posed by the children. From those studies Tauwhare became involved in riparian margin planting at the Portegys' farm. We now have a whole new group of students who will investigate this question, and see if we have improved since we last studied the stream.

As part of this big topic we visited Pirongia Mountain to see a pristine stream and waterway. We discovered insects and fish in the stream, tested for water clarity and colour, and took a walk in the beautiful bush.

We had a wonderful turn out of parents/caregivers who joined us on this trip; and what a great day it was. Linda Cook did a wonderful job organising this trip and we thank her for her hard work.

## SCHOOL SWIMMING SPORTS

Due to the dreadful weather we had to cancel our traditional Picnic Day, so we had a sports day at school instead. The children swam beautifully. We really do have many talented swimmers in school. Congratulations to Corwin Broekhuizen who won the Kevin Smith Steelworkers Cup followed by Mitchell Robinson 2<sup>nd</sup>, Hannah Gordon 3<sup>rd</sup>, Georgie Brown 4<sup>th</sup> and Chloe Stokes 5<sup>th</sup>.

Congratulations to all of our swimmers who attended the Hamilton East Primary Schools Swimming Sports. We had a great day with some fantastic results. A big thank you to all those who helped with transport. A special thanks to Liesl Pellissier, Candice Wheki and Ros Chambers for marshalling and time keeping. Your help was really appreciated.

### **Results**

Finn Bell 2<sup>nd</sup> Medley Finn Morton 3<sup>rd</sup> Medley  
Hannah Gordon 2<sup>nd</sup> Medley, 3<sup>rd</sup> Freestyle, 3<sup>rd</sup> Breaststroke  
Mitchell Robinson 2<sup>nd</sup> Backstroke

# Pukeko Preschool – March 2017

St Patricks Day lasted a whole week at preschool this year. There was lots of magic and fun to be had. The children put hats on so they could think faster than a leprechaun, and made an elaborate trap in the leprechauns' favourite colour – this managed to catch the leprechauns' hats but not their gold. An old cellphone became a leprechaun detector, and the children made rainbows with ribbons. St Patricks Day sparks all our imaginations, young and old, and is a lot of fun for everyone.

We are selling Entertainment Books again this year. Lots of our families have made fantastic savings with the books they purchased last year. Please contact us at preschool if you would like to purchase a book or the digital version for your phone. The cost is \$65.

Holiday program - We will be closed Good Friday and Easter Monday, as well as Anzac Day. We will be open normal hours for the rest of the holidays, doing fun things like bike days and baking.

We are running an Easter raffle with 3 great prizes, drawn on Friday 7 April – if you would like a ticket or two please pop into the preschool or contact us.

We have spaces available on all days at present as we have had a few children move off to school – please contact us if you would like to enrol your child or put their name on our waiting list.

## About Pukeko Preschool

We are a small rural preschool situated in the grounds of Tauwhare School on Scotsman Valley Rd. We are open from 8am – 4pm and licensed for 17 children. Session times are 8.45am – 1.00pm, 8.45am – 2.45pm, or choose your own hours for bookings over 6.5 hours. We welcome children from 2 years of age. There is no minimum number of days required, which is a lovely way of settling in to preschool.

Limited spaces are available – call in and see us, phone 824 0860, or email [pukekopreschool@xtra.co.nz](mailto:pukekopreschool@xtra.co.nz). We offer 20 hours Free ECE (NO extra charges for these hours) and you may also be eligible for the childcare subsidy. Contact us for more information, check out our website [www.pukekopreschool.org.nz](http://www.pukekopreschool.org.nz), or find us on Facebook 'Pukeko Preschool in Tauwhare'.

# TAUWHARE PLAYGROUP

Our recruitment drive worked and Tauwhare Playgroup are up on numbers. Yahoo! A top effort from a top team. We'd like to make an official warm welcome Sheena, Hannah, Katherine, Heather and Leah plus their awesome little offspring.

The Tauwhare Playgroup Facebook page has been running hot with messages from more new mums who have either recently moved out this way or have caught wind of all the fun we've been having so we look forward to more numbers in term 2.

Term 1 has been busy, building foundations, brewing ideas and getting to know new faces. We've had our fun with free play, got our hands stuck into some play dough and I have to say I think the mums enjoyed the play dough as much, if not more than the kids. Turns out making play dough spaghetti bears no age limit.

We've been on a bush walk, a trip to Chipmunks and by the end of term we would have had a group session with Marilyn from the Ministry of Education who is full of great ideas for fun interactive play and building great networks.

Term 2 will be bigger and better yet again. The super mums of Tauwhare Playgroup are taking turns at hosting a play activity and the itinerary is looking sharp. If the weather allows us we will eventually get to the zoo, we've got some real hands on texture activities lined up and we will look at ways we can explore with music, movement and dance.

Often when we get new faces along to playgroup people ask whether they need to enrol for courses etc and answer is no.

Our group is built on free play, a variety of structured activities and pulling together as a team, so all you need to bring is yourself, your fun pants, the kids and some morning tea to share with playgroup friends.

The best way to keep in touch with our movements is to check us out on Facebook. So, until next time have an awesome Easter break and we will see you back May the 4th at the Tauwhare school hall.

# TAUWHARE INDOOR BOWLING CLUB

Welcome to the Club's March news.

The two "Roll Up" nights were fun nights and we welcomed three new bowlers to the Club – Trish, Delwyn and Bridget.

Opening night was well attended and we had visitors from the Matangi Club.

The Tauwhare Club is in its 63<sup>rd</sup> season and is the oldest original club in Tauwhare. We extend a warm welcome to visitors who would like to give bowls a try. Come along to the Tauwhare Hall on a Thursday evening. Start time 7:00pm. Names in by 7:20pm.

Contact number for more information:

## TASTE BUDS

### PICCALILI

½ large cauliflower, cut into small florets  
2 bulbs fennel, cut into small chunks  
350g green beans, chopped into short lengths  
1 red onion, roughly chopped  
2 tablespoons mustard oil  
2 tablespoons ground cumin and turmeric  
2 tablespoons English mustard powder  
500 ml white wine vinegar  
2 mongos, peeled, stoned and roughly chopped  
3 cloves garlic, crushed  
4 bay leaves

1 head broccoli, cut into small florets  
4 red chillies, 2 green chillies, seeds still in, finely sliced  
300g shallots, cut into eighths  
2 handfuls fine sea salt  
2 heaped tablespoon mustard seeds  
1 nutmeg, grated  
4 tablespoons flour  
2 apples, grated  
6 tablespoons sugar  
2 tablespoons dried oregano

1. Put all the vegetables in a bowl, add the salt and enough water to cover. Leave in a cool place for about 1 hour.
2. Heat a saucepan big enough to hold all the vegetables. Add the mustard oil to the pan, then fry the mustard seeds, cumin, turmeric and nutmeg for a moment. Lower the heat, add the mustard powder, flour and a splash of vinegar. Stir well to make a thick paste. Gradually add the remaining vinegar and 100ml water, stirring all the time to make a smooth paste. Add the apples, mangos, sugar, garlic, oregano and bay leaves. Cook for 2 – 3 minutes.
3. Drain the salted vegetables and add them to the pan, stirring well to coat with the spicy paste. Cook for 10 – 15 minutes until the vegetables have just softened and started to release some juice.
4. Spoon into sterilized jars and close the lids tightly. Leave for a good couple of months to mature.

### TOMATO SAUCE

(Approx. 150 years old, thank you Gran Fever for your legacy)

8 lbs tomatoes	2 lb apples
6 large onions	¼ lb salt
2 lb brown sugar	¼ lb whole allspice
1tsp cayenne pepper	1 oz cloves
1 quart vinegar	

Cut up the onions, apples and tomatoes. Put all ingredients into a preserving pan and boil gently for 3 hours, stirring occasionally. Cool and blend with a whizz.

Bottle and let it mature for a month. Enjoy!

# IN YOUR GARDEN

Well what a summer we have had. People were saying their tomatoes and other vegetables were slow to get going this spring. It was due to colder nights then normal for spring evenings. My tomato crop, over 800 plants, were a month later then other years which is very frustrating as we could be heading to an early winter.

Things in the garden, if you're planning to buy plants, plan where you're going to plant, what type of plant or tree etc. Prepare ground by spraying off weeds if you can when weeds are yellowing turn soil over burying as deep as possible same for a vegetable gardens although most people prefer to have raised vegetable gardens. When building a raised garden remember that most vegetable plants only need about 15cm of good compost. e.g. mushroom compost. Put at bottom of raised garden rocks, old soil etc, leaving about 15cm from the top for compost.

If planting roses, fruit trees, hedge plants, trees etc check with your nursery or garden centre for available times they will be ready and order your requirements so as not to miss out.

Start spraying roses etc with a cooper spray to slow plant growth to help plants go dormant in the winter and ready for growth and flower in the spring. If roses flower profusely through a warm winter they will have a poor flush of growth and flower in spring. Prune roses, fruit trees about July. Hedging any time throughout the year. Don't prune if trees are fruiting or in flower. When pruning in July put a hand full of fert around the drip line of the rose or fruit tree.

**Planting when purchasing plants.** Most are in pots, select good shaped plants. Dig hole bigger then size of pot and put a generous amount of mushroom compost into the hole, don't put man made fert in hole as this could burn new root as they start growing. Cut bag off or take pots off – DO NOT disturb roots; if some roots are root bound cut with a sharp knife downwards 4 or 5 cuts around pot, still not touching roots.

If you want weed free no bark compost we have mushroom compost available in bulk or bagged, use your trailer for buckets lots or we can deliver on our small truck

For more information on gardening trees, roses phone Jasmine on 0800 867 767 or 07 824 1725 or you can reach Mike on his mobile 0274 955 183

Citrus in fruit- frost hardy ready now. Roses and fruit trees ready May

*Happy gardening*

*Mike.*

# Get your Cat De-sexed now!

If you think you have a reason for letting your pet breed, we say it's time to reconsider!! Cats are breeding at a greater rate than ever – faster than good homes can be found. They become unwanted, are given away, stray, or are callously dumped. They suffer out of sight of their owners. The lucky ones end up in animal shelters where they are placed in new homes. Keeping a pet is a lifetime commitment and the one-time expense of de-sexing will bring many advantages to both animal and owner.

## Advantages of De-sexing

No de-sexed dog or cat can ever get cancer or other diseases of the reproductive organs, such as testicular tumours, cystic ovaries, ovarian tumours or acute or chronic uterine infections. De-sexed animals are also at far less risk of mammary cancer, prostate diseases, tumours and hernias. There will never be a risk of pregnancy complications. Because neutered animals avoid these medical problems they tend to live longer, healthier lives. A de-sexed animal is often a more relaxed pet. Neutering reduces a pet's desire to roam and fight. De-sexing decreases embarrassing behaviour habits like leg mounting and spraying. It also eliminates the frantic pacing and crying of a cat in heat. De-sexing your pet saves you a lot of money. A pregnant animal requires additional food, as will the kittens. "Entire" animals are more likely to roam in search of a mate thereby being at greater risk of being severely injured after being hit by a car. De-sexing fees for your animal are very reasonable and veterinarians are already keeping costs to a minimum to encourage people to have their animals de-sexed.

## De-sexing myths:

It is important that people understand that de-sexing does not change the personality of their pet, or, make it fat and lazy!

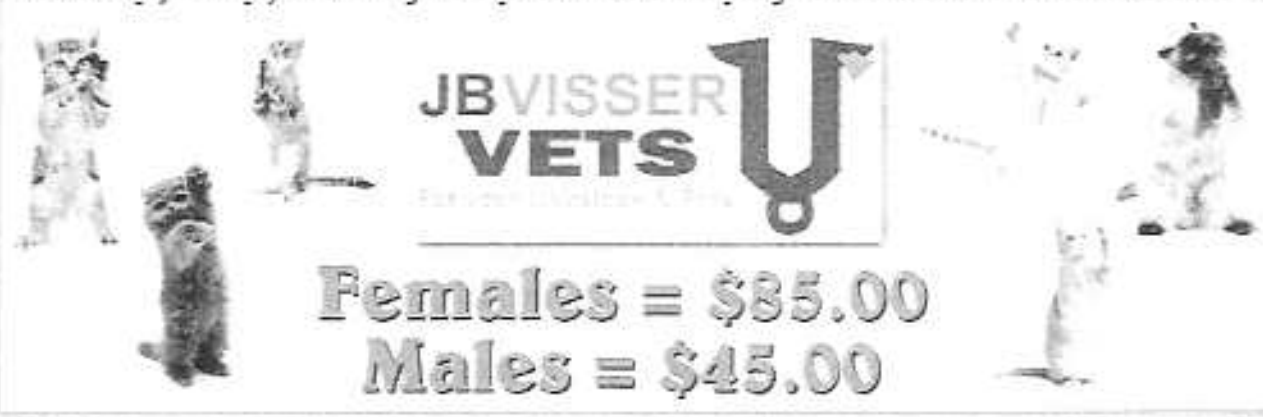

There is absolutely no truth to the myth that it is best to let a female cat give birth to a litter before getting her spayed. In reality it is better for a cat to be spayed before she comes into heat.

Responsible pet ownership means getting your cat de-sexed as soon as possible.

We recommend any time after the age of 5 months.

But whether a pet owner neglects to have a cat de-sexed because they want her to have "just one litter" first, or whether someone simply did not want to spend the money for their pet's surgery, the end result is the same: **far too many animals for the number of available homes. And that's why April is.....Spay + Neuter Month!**

✂ Snip, Snip, Hooray!! April is Cat Spay + Neuter month at... ✂

## NEWS FROM YOUR WAIKATO DISTRICT COUNCILLOR

Last year Council called for submissions on the proposed **Easter Trading Policy 2017**. 1268 submissions were received and 51% were in favour of shops being able to open on Easter Sunday in Waikato district. The Policy and Regulatory Committee has recommended that the Policy be adopted at next month's full Council meeting. In line with the feedback I received from residents in Eureka Ward, I voted against the policy being adopted. It was passed with four Councillors in support and four opposed.

The Policy ensures that individual business owners can make their own choice whether to open or not. You can read the draft policy online at [www.waikatodistrict.govt.nz](http://www.waikatodistrict.govt.nz).

Over the next 15 months Council will prepare its **Draft Long Term Plan (LTP) 2018-28**. We attended a workshop last week to commence discussions about the long term strategic direction for the district. Our communities will be invited to have their say in the next few months. A Long Term Plan is a financial and community planning document that we must produce every three years and sets the direction Council is heading by establishing agreed community outcomes and goals. The LTP will be finalised and adopted in June 2018.

Unfortunately I was unable to attend the launch of the **AED** at Eureka Hall on 19<sup>th</sup> March. However I understand quite a number of residents attended and were given instruction on how to use the machine and were able to practice their CPR skills. I will be encouraging other communities to install a unit in their district. Congratulations to the Eureka Express and Eureka Hall Committees for investing in this project that could save lives.

We have held an Extraordinary Council meeting this week to approve the **Annual Plan 2017/2018 Consultation Document** and proposed amendments to fees and charges. This plan will now be put out for submissions which will be heard in late May. I will give more details in my next newsletter.

Despite the heavy rainfall during March, until further notice there is still a **restricted fire season** for Waikato District. You therefore require a permit to light any fire in the open air. There is no charge for a fire permit which can be applied for on line or through Council during business hours – 8am – 5pm Monday to Friday.

Remember you are responsible for any fire you light and will be held accountable for the costs if the fire gets out of control and causes damage. Under the Forest & Rural Fires Act 1977 firefighting costs from \$1,000 - \$250,000 will be recovered from the person responsible for lighting the fire. If you have any questions about fire permits or fire season status phone WDC on 0800 492 452.

This week Councillors visited **Hamilton Expressway** sites to be given an update on progress. Our site visits included the Southern Interchange at Tamahere, Matangi Road Bridge, Morrinsville Road Bridge/Ruakura Interchange, East Coast Main Truck Rail Bridge, Martins Lane, Horsham Downs and Resolution Interchange/Horsham Downs link. We also visited the Project Visitor Centre at the contractors headquarters near Ruakura and received an ecology briefing and viewed the aerial flythrough video.

The **Huntly section of the Expressway** is progressing well despite the recent wet weather. So far 1.2 million cubic metres of material has been shifted. There are over 150 different items of machinery on site (including diggers weighing 185 tonnes) and so far 800,000 man hours have been worked. Photos of the various sites can be seen on the NZTA website. A public open day, with photos, maps and other information about the Huntly section on display, will be held on Thursday 18<sup>th</sup> May at the Riverside Room, Huntly Civic Centre between 2pm and 7pm.

# TAURUS

The classic rectangular shed - from workshop to factory, as big as you like.

## TESTIMONIAL

"The shed is great and went up like a dream!"

The crew was brilliant - thorough, really careful and fast. They did a great job and there were no problems at all. It's a really professional outfit with a great team."

- Rex Ferrell, Kinloch Mechanical Services, Taupo

## KEY FEATURES:

- Steel gutters & PVC downpipes
- Safety Mesh & Wytox in roof
- Clear span (no internal poles)
- 2 x Roller doors sizes as per below
- Barge, opening & corner flashings

## About NO BULL SHEDS

**NO BULL SHEDS** was created by the Waikato Shed Company✓✓ who have been supplying and building sheds around the greater Waikato and beyond since 2005.

Every shed built by Waikato Sheds has been custom designed with some containing quality extras like Aluminium Joinery, Vermin Flashings, Bird Brushes etc. and to date the same shed design has not been repeated.

**NO BULL SHEDS** has been developed with the help of the Waikato Sheds Team, who are passionate about good quality sheds, to provide the same quality base components and design capability with a No Frills approach.

Now, customers can get top quality shed pack systems at the lowest possible prices without cutting corners.

The aim is to make the whole process as simple as possible.

**NO BULL SHEDS** is a 100% Kiwi owned and operated company and is an authorised distributor of the proven Fair Dinkum Sheds Group.

## NO BULL SHEDS Provides

- 5 basic and popular shed styles to get started
- Price examples for shed packs with 2 - 3 sizes for each style
- The ability to customise the shed to suit your needs
- A basic shed layout is provided as a starting point to assist you to determine your requirements
